POPWORLD

The typical popworld, for old cheesy throwbacks and a late night bar, when you're unsure of where to go there is no doubt you will end up here! Open to 4am every day, located just 3 minute walk from McDonald's and outside the taxi rank its the perfect spot!!

MEDICATION

The Friday night spot, pay at the door or buy tickets from skiddle for only a fiver, open from 10pm-4am, £2 go doubles and always buzzing, its the place to go. Get on guest list for discounted entry and line jump!

BAA BAR

Small on the outside, but this two story nightclub with free entry is the best in town! 2 different genres of music to choose from meaning you won't get bored! Our advice though, go early, to miss out on being turned or big queues especially on a saturday night!
